Return of application form

Your completed application form should be sent to: **The HR Administrator, Penrose Housing Association, 356 Holloway Road, London, N7 6PA.**

Filling out the Application Form

Please record information as legibly as possible and fill out all sections as indicated. Short-listed applicants will be those who best demonstrate that they have the level of skills, experience and personal qualities called for in the person specification.

Interview

Interviews will be used to evaluate applicants' suitability, as measured against the person specification.

Employment status

Penrose may only employ individuals who are entitled to work in the UK; candidates will be required to produce evidence of such entitlement.

References

One of your references must be from your present, or most recent, employer. The other reference may be from a previous employer, individual with whom you have worked, some, or other person who knows you well, but is **not a personal friend or a relative.**

Related parties

To avoid allegations of bias, candidates must disclose any connection with a Penrose staff member or Board member.

Criminal convictions and cautions

Previous convictions/cautions will only be considered relevant if they are directly related to the duties of the job. Applicants are not entitled to withhold information about convictions/cautions, which would be regarded as spent for other purposes. Failure to disclose any convictions or cautions could result in dismissal, if appointed.

Due to the nature of the organisation, and as a matter of best practice, Penrose request that all applicants undergo a Criminal Records Bureau (CRB) check at the Company's expense. Penrose will consider applications from individuals with prior convictions/cautions based on their merits.

Pre-employment medical questionnaire

Potential employees will be required to complete a confidential medical questionnaire prior to commencement of employment with the organisation. The medical questionnaire will be sent to our Occupational Health Advisory Service who will then advise Penrose Human Resources manager of any medical conditions which may impact on appointment.

Disability

Disability is an impairment causing a substantial and adverse long-term effect on the ability to carry out normal day to day activities. If you have such a disability, you should indicate any special requirements you have for the purposes of interview.

The interview panel will decide which candidate best meets the person specification. If this person suffers from a disability, they will then consider the effect of the disability and whether support or adaptations would enable the disabled person to carry out the duties of the post. They will then determine whether it would be reasonable for Penrose to make the necessary adjustments before making a job offer.
